

Neighbourhood Plan

Your neighbourhood; your future

KEY THEME 4 - SUSTAINABLE COMMUNITY

CORE OBJECTIVE 4: TO PROMOTE INFRASTRUCTURE AND ACCESS IMPROVEMENTS (SUCH AS IMPROVED TRAFFIC MANAGEMENT, CAR PARKING, PEDESTRIAN WALKING AND CYCLE ROUTES) NEEDED TO SUPPORT NEW DEVELOPMENT AND TO ENCOURAGE SAFE AND ACCESSIBLE MOVEMENT FOR PEDESTRIANS, CYCLISTS, MOTORISTS AND PUBLIC TRANSPORT

OUR COMMITMENT

This is our commitment to understand local issues and to seek improvements to transport and utility infrastructure as our community grows. The plan should, therefore, investigate opportunities to enable both new and existing homes to be better served by physical infrastructure, such as improved traffic management, car parking, pedestrian walking and cycle routes that preserve and create our pleasant and safe environment.

It is vital that development proposed in Wootton is supported by adequate local facilities and services to ensure a high quality of life for both current and future residents, including better mobile phone coverage and more reliable broadband.

What do you think of the objective?
