Your neighbourhood; your future

KEY THEME 5 - HOUSING

CORE OBJECTIVE 5: TO PROVIDE HOUSING WHICH MEETS THE NEEDS OF THE DIVERSE AND GROWING COMMUNITY AND TO INFLUENCE THE LOCATION, SCALE, DESIGN AND TYPE OF NEW HOUSING TO ENSURE THAT IT FITS WITH THE DISTINCTIVE CHARACTER OF WOOTTON'S BUILT HERITAGE AND MEETS IDENTIFIED LOCAL HOUSING NEEDS

OUR COMMITMENT

This is our commitment to deliver housing growth tailored to the needs and context of our rural area and to ensure **sensitive development** which **protects and enriches** our community landscape and village setting.

Such development must also be in keeping with the **character** of the village and sensitively located so as to protect our desirable open spaces. Protecting and enhancing the built environment, including existing homes, workplaces and the setting of **listed buildings and historic assets**, will be paramount.

The design and choice of building materials for any future developments should, therefore, be **sympathetic** to our existing landscape and realistic **population growth** should be welcomed where it supports and sustains our local services and facilities, **preserving our village as a great place to live**.
