

Chairman's Report 14.9.11

It has been quiet over the holiday period but I am sure things will get back to normal soon. I do not have much to report tonight but would remind you all that the next F&GP meeting on the 26th October and full council meeting on the 9th November will discuss the precept for next year. Could all committee chairs therefore please let Sue Playford and Sue Bolton know their requirements by the 19th October, so that both agendas can be prepared.

The remembrance service this year is on Sunday 13th November at 10.30am, meeting outside The Cock pub by 10am latest. Please let Sue Playford know if you are attending, so that she can notify the Church re seating. I would appreciate as many of you as possible attending.

Thank you.

John Wheeler
Chairman
