

Chairman's report for full council
9th November 2011

Not a lot to report which is a good thing – it must mean that everything is running smoothly!!

Firstly – a reminder to all about this Sunday's Remembrance Parade and service. We will meet outside the Cock Inn at 10am, before parading to the church for the service. The laying of wreaths at the War Memorial will then follow. It hope to see as many of you there as possible.

I would like to thank Bob for his work regarding the Fields Road s106 monies. As you know, a meeting is being held with Bedford Borough council on the 16th November for further discussions in this regard. Also, a thank you to Steve for his very impressive traffic report. It is likely that an extraordinary meeting will take place in the coming weeks to discuss the report in detail, after which it is hoped the report will be adopted at full council on the 11th January 2012. Once again Gareth has overseen another well presented and informative Wootton newsletter, and Bill and Sue Bolton are on top of our accounts and sorting out the precept. Thanks also to Paul Quirk for keeping the village illuminated, and the rest of the council for their help and support.

The planning committee is very thin on the ground – do we have any members who might be able to join the committee? There have been instances when just one committee member sending apologies has meant the meeting is not quorate.

Thank you.

John Wheeler

Cllr Wheeler nominated Cllr Wallace to be elected to the planning committee, and it was resolved by all present at full council on the 9th November 2011.
