

### **Chairman's Report for Full Council 14.11.12**

Some of you will already be aware that Sue Bolton intends to leave the Parish Council as soon as Sue Playford has completed her CiLCA qualification. Sue B has done a fantastic job in ensuring the finances are in a healthy state, and responsibility moving forward will now pass to Sue P. I would like to thank Sue B for her hard work in getting to this stage – it has not always been an easy task.

Parish Council members need to ensure that Sue P does not become overburdened, and Sue P has informed me that Fridays (currently a study day) will be used as a finance day. Many of you are already helping Sue P with the day to day running of the Council – but all members need to be involved. Suggestion has been made that Sue P relinquish all Memorial Hall tasks – these could be taken on by other members who are not involved at the present time. I will talk more about this at full council in January.

The MUGA fencing is now complete, and I would like to thank all those involved at all stages – from quotations and funding through to overseeing the work.

We are still sourcing funding for the proposed skate park and hopefully should have some good news soon.

Cllr Wallace will be providing an update later in this meeting regarding Persimmon and we are hoping to invite them to January's full council meeting for a further update.

Finally – precept. This is a reminder that figures are nearly finalised – do let the relevant committee chair know if you have anything else to consider.

Thank you.

John Wheeler  
Chairman
