

BBCllr Prescod report for full council 14th November 2012

Went to Wootton Lower School's 50th party celebrations with BBCllr David Sawyer, who said what a great school it was.

Met with members of BPHA (Bedfordshire Pilgrims Housing Association) about the trees in Manor Road, which are due to be felled. Also, no verge parking signs will be erected soon.

Weed control – could I please be reminded of which streets need doing so we can move forward with this.

Disrepair of footpaths – awaiting dates still.

Parking issue outside post office – awaiting dates still.

Church Road – new posts have been erected.
