Correspondence

Matters arising – for information only

- P11/47 + P15/40 - Overgrown alleyway Lorraine Road/Hoo Close. Remedial works have been completed by the Crown Estate and they are due to remove a number of items which were fly tipped on their land (plus old fencing). The Borough Council has undertaken works on the footpath side to the hedgerow but the damaged fencing remains. Cllr Lloyd continues to chase and it is hoped the Borough Council will also consider an inspection and possible remedial works to the ash tree. Ongoing.
- P13/40 – Poor state of roads and footpaths within the village. Works have been carried out at several sites within the village including Church Road, Squires Road and Russell Way. BT have since dug up part of the footpath in Russell Way and are due to return to make good. Patch work has been carried out in other areas. Resolved 11th March 2015 (P15/64) to request remedial works to footpaths in the following areas: Thorpe/Foster/Neale/Emerton Way, Tithe Barn Road, from the Cause End Road junction (pharmacy side) and the entire length of Bedford Road (both sides) from the village boundary sign on Bedford Road to the village exit on Cranfield Road. Ongoing.
- P14/50 – Identification of Parish Council/Borough Council street lights. Records differ between the two organisations and the Clerk and Cllr Quirk will be working to resolve this, and a meeting was held with the Borough Council, who confirmed their records were out of date. Bedford Borough Council has made a proposal with costings for them to adopt all street lights. That adoption remains ongoing but it was resolved 10th December 2014 (FC14/196) to replace failing columns at Hall End (two) and Potters Cross (three). Ongoing.
- P14/84 & P14/152 & P15/10 – Parking problems/yellow lines proposals. Clerk has been informed that Highways are reconsidering all proposals in light of objections received – it is thought this will now take place after the May 2015 elections. Ongoing.
- P14/248 & P15/11 – Replacement programme of trees within the parish. Resolved 11th November 2015 (P15/39) to accept the retiring tree warden's recommendations but leave the works on file until autumn (better planting conditions).
- P14/250 – Revisit tree inspection report. Resolved 26th November 2014 (P14/250) to appoint Bartlett Tree Experts to undertake a visual inspection of all trees within the parish for which the parish council has responsibility. There has been a delay with the inspection due to weather conditions and staffing issues. The Clerk has been informed the report is currently being prepared. Ongoing.
- n/a – Removal of grid (previously protecting a drainage pipe entrance within the recently cleared ditch behind Lorraine Road) which could lead to a small child or animal being carried under Lorraine Road green. The Borough Council has carried out a replacement. Move to close.

Appendix 4

- P15/54 – land within School Lane (behind ‘The Pound’ and noticeboard) on Bedford Road. Resolved 25th February 2015 (P15/54) to remove the damaged fencing, cut back the conifers and revisit in the future as necessary. The Clerk has initially asked the handyman to take a look and report back. Ongoing.
- P15/75 – regeneration of Keeley End Pond. Please refer to agenda item P15/96.
- P15/85 – missing Wootton village sign at the entrance to the village from Kempston Rural (Wootton/Bedford Road). Resolved 8th April 2015 (P15/85) to request the Borough Council to remove the poles as a brick built Wootton village sign is also at the same location. Cllr Lloyd has made that request. Ongoing.

Planning Applications

None.

Resolutions
