Following that report, resolved 31st January 2018 to immediately extend the existing temporary picket fence and place signage in the area, warning of the wall's unstable nature, pending remedial works. A response from Historic England has now been received which recommended rebuilding the wall using reclaimed bricks on a like-for-like basis. Cllr Quirk and the clerk met with a potential contractor on 31st July 2019 and a survey report has been received. Other potential contractors continue to be chased. The clerk and Cllrs Lloyd and Quirk were due to meet Q1 2020 to determine a tender process, but this has been placed on hold due to ongoing Coronavirus (Covid-19) restrictions. • P20/228 – Transfer of parish council-owned streetlights to Bedford Borough Council. Resolved 27th June 2018 (P18/154) to continue with the transfer and request Bedford Borough Council carry out structural examinations to all columns. Clerk has been told the Borough Council are dealing with this, but they have several other parishes to deal with too and timescales are not yet known. The clerk provided Bedford Borough Council with latest risk assessments and inspection reports on 24th June 2020. Bedford Borough Council has since requested further testing which cannot be undertaken due to the style of columns and it was resolved 28th October 2020 (FC20/228) that Bedford Borough Council take on the columns if further testing is required. The further testing issue has now been resolved and the clerk is currently awaiting the relevant paperwork, confirming bar one minor issue, all is in order. Resolved 31st March 2021 (P21/082) to accept that paperwork and again request Bedford Borough Council take on the ownership/maintenance of the streetlights. FA Bartlett Tree Experts Ltd have been appointed to remove the conifers and carry out remedial works to the adjoining hedgerow and ash tree (the latter was growing into a highways street lighting column). The conifers have now been removed and the ash tree trimmed. Memorial Makeovers have now recommended leaving the works until the end of 2020 to allow for further settlement which has been caused by the removal of the conifers. Memorial Makeovers have confirmed the structure remains sound and did revisit in early February 2021. The clerk has been informed works should commence imminently. • P21/009 – Planning Application 20/02422/TPO – The Keeley, 155 Bedford Road. T1 Yew tree – fell to ground level. Concerns were previously raised the tree had been felled before expiration of the tree protection notice period. Bedford Borough Council has responded as follows: <i>“We are aware that the tree was removed without consent and the Council’s Tree Officer is in discussions with the owner’s tree surgeon to secure a replacement tree within the current planting season. We would have supported the tree’s removal but would have required a replacement tree by planning condition had the application been allowed to run its proper course”.</i> This committee noted Bedford Borough Council’s response at its meeting on 13th January 2021 and stated it would continue to monitor the situation. BBCllr/Cllr Wheeler has been asked to chase for an update, however it is understood Bedford Borough Council currently has no planning enforcement officers in situ. • P21/028 – Open Design Competition, Berryfields/Fields Road roundabout.
