Signed at Full Council.....

ROADS AND PAVEMENTS SAFETY STEERING GROUP PAP¹ 2021-22

WPC² publishes a SAP³ annually in May, drawn from the budget which is formally set in January, and which includes project expenditure for the upcoming year. The R&PSSG⁴ committee will produce its own PAP, to be reviewed and amended as necessary at each committee meeting, after which it will be formally reviewed and approved by Full Council, alongside the SAP.

Please refer to earlier published minutes of this Steering Group for PAP information relating to 2021 and/or earlier. These are available to view either via the Clerk to the Council or at: <https://wootton-pc.gov.uk/parish-council/committees/roads-pavements/>

The Roads & Pavements Safety Steering Group committee's projects for 2021-22 are:

Issue	How identified?	Timescale	Budget	Action/Update	Project Manager
Berryfields Estate (infrastructure).	GL.	Ongoing.	Persimmon to finance.	<u>20th January 2021</u> GL reported the following issues at a recent meeting of Full Council: • Poor street lighting at the pedestrian crossing on Harris Way (school side); • Street lighting within that estate is not LED only – despite the Mayor referencing the BBC's policy of using only LED lighting. JW had reported the same to BBC⁵ and it was noted the handover had been delayed due to ongoing Covid-19 restrictions. <u>17th November 2021</u> It was noted only some of the proposed infrastructure works was undertaken during	GL/SO. BBC/Persimmon.

¹ Project Action Plan.

² Wootton Parish Council.

³ Strategic Action Plan.

⁴ Roads & Pavements Safety Steering Group.

⁵ Bedford Borough Council.

Appendix 1

				October half term week. Resurfacing of roads (including yellow lining and no waiting signs) would not take place until December 2021. Members expressed their disappointment at the lack of response received from BBC in relation to the infrastructure report produced by WPC. Harris Way resurfacing was now programmed for February 2022. No response had been received from the directors of Persimmon Homes in that respect, and it was still not known when the handover from Persimmon Homes to Bedford Borough Council would take place. JW had requested an update. <u>19th January 2022</u> Some resurfacing of roads (including yellow lining and no waiting signs) was due to take place in December 2021 but remained outstanding. Harris Way resurfacing was now programmed for February 2022. JW would chase BBC again in relation to an update on WPC's infrastructure report as it was still unclear which recommendations would be taken forward by BBC. It was understood the handover would take place one year post-works completion.	
Bus routes/stops and bus cages.	Various.	Ongoing.	BBC.	<u>BUS STOPS</u> <u>15th September 2021</u> JW provided the following to Full Council (8th September 2021) by way of an update regarding changes to school bus routes/stops: • 'A few of you are aware there have been issues regarding School Transport from Wootton to Hollywell the start of this term, hopefully I have	BBC.

				<i>dealt with most of the issues and new bus passes have been issued. This was mainly down to the lady who normal deals with this have been off on long term sick leave and other officers not familiar with Wootton dealing with this, also a big increase in Wootton children going to Hollywell. The other problem which I have asked to be looked into is all children are allocated a bus pass but not all children use them (parents drive them to school) and Borough are not told of this so they have to assume certain routes are full when they are not. As this is not a parish issue I would recommend any parents should pass on their concerns directly to School Transport. School.transport@bedford.gov.uk'.</i> At a recent meeting of Full Council a resident agreed to furnish the clerk with a summary of issues raised during Open Forum – ahead of an email to BBC noting dismay over the situation and concerns over the safety of children using the amended bus service locations. <u>17th November 2021</u> SP emailed Paul Watkins and Saragh Fleckney (Bedford Borough Council) on 14th October 2021 but had received no response. <u>BUS CAGES</u> <u>20th January 2021</u> Andy Prigmore confirmed bus cage painting works should be completed by the end of this financial year – weather permitting.	
--	--	--	--	---	--

Appendix 1

				<u>17th November 2021</u> JW confirmed the bus cage 'no waiting restrictions' were with BBC to implement. <u>19th January 2022</u> JW confirmed the 'no waiting restrictions' would be completed by BBC when the gritting season had ended. It was noted BBC had been made aware of WPC's concerns over the number of long-term outstanding issues that still remained with BBC for resolution.	
Dog mess/litter bins.	Committee discussion.	Ongoing.	WPC.	<u>July 2021</u> Request made. <u>17th November 2021</u> SP had requested guidance from BBC on whether damaged dog mess bins could be replaced with dual-purpose bins. If not, BBC was asked to confirm it accepted WPC's suggested metal replacements. No response had been received despite the request being made in July 2021. <u>19th January 2022</u> Three new dog litter bins had been ordered and were currently in storage at the Community Centre, pending BBC's installation.	WPC.
Fields Road pedestrian crossing.	JW.	Ongoing.	BBC.	<u>17th November 2021</u> JW confirmed equipment for the pedestrian crossing was on order but not yet received. <u>19th January 2022</u> JW confirmed works were programmed for Spring 2022 and a feasibility survey had been completed.	BBC.
Fields Road white lining.	N/A.	N/A.	N/A.	<u>17th November 2021</u>	BBC.

Appendix 1

				JW understood the white lining would not be undertaken by BBC, however members requested again that BBC fulfil the request, on health and safety grounds. <u>19th January 2022</u> BBC remained resolute there was no need for white lining in this area, however it was agreed to continue to push for lines on health and safety grounds.	
Pavement/all parking issues – including white and yellow lining – village wide.	Residents.	Ongoing.	Not yet identified.	<u>YELLOW LINING</u> <u>17th November 2021</u> SP was in dialogue with BBC who were still attempting to complete works at Hall End. A Traffic Regulation Order was now in place on Bedford Road – from the Cause End Road roundabout to the bus cage adjacent to the Manor Road flats and yellow lining should be completed by the end of December 2021. <u>19th January 2022</u> Yellow lining works remained outstanding on Bedford Road, however it was understood all lining/road signage works would be completed by BBC when the gritting season ended. It was understood yellow lining works at Hall End had only partially been completed. GL and SP agreed to investigate/chase further as needed. <u>WHITE LINING</u> <u>17th November 2021</u> JW had chased BBC for a further update. SP was asked to add the double mini-roundabouts to the list of areas with faded white lining (it was noted	SO.

				HGVs were exacerbating the diminishing white lining when turning in the area*). <u>19th January 2022</u> GL and JW confirmed BBC were programming resurfacing works to the double mini-roundabouts due to lorries damaging the surface and drains. White lining would then follow**. <u>PAVEMENT PARKING</u> <u>20th January 2021</u> No further update had been received in relation to central government's consultation on pavement parking: https://www.gov.uk/government/consultations/managing-pavement-parking. The consultation had now closed and central government was analysing feedback. <u>19th January 2022</u> It was hoped an outcome would be known in 2022 following central government's consultation. Local councils would be permitted to exclude areas from any 'no pavement parking' order. <u>PARKING CAMERA</u> <u>17th November 2021</u> JW met with BBC who confirmed it was no longer possible to have its camera in situ on Bedford Road adjacent to the lower school, due to the installation of the pedestrian crossing. That installation had resulted in the removal of yellow zig zag lining (enforceable by BBC) and the addition of white zig zag lining (enforceable by Bedfordshire Police).	
--	--	--	--	--	--

Appendix 1

				JW had previously confirmed a camera would be sited at the Harris Way lower school site, however GL raised concerns BBC's proposal for two parking bays in the area would reduce the length of the zig zag lining. <u>19th January 2022</u> JW confirmed the parking bays were complete, however surfacing and lining remained outstanding. A timescale was not yet known regarding the camera installation.	
Pavements (resurfacing) and roads (resurfacing) – various.	CB.	Ongoing.	BBC.	<u>PAVEMENTS</u> <u>17th March 2021</u> The following <u>pavement</u> areas had been prioritised by Bedford Borough Council: • Keeley Lane (its entirety); • Monoux Road (its entirety); • Payne Road (its entirety). It was unlikely any other areas would be considered. <u>19th January 2022</u> CB and GL raised concerns over the state of pavements within the Berry Wood estate, including cut-through pavements and the pavement linking the estate to Fields Road. Compressed clay had been used, which turned to mud during inclement weather. DM added he was aware a resident had fallen as a result of the mud. GL also queried why BBC were not maintaining grass-topped pavements (referencing the Summerfield Drive estate), when they were responsible for maintaining adjoining pavements. It was noted both issues had already been reported to JW to take forward with BBC.	BBC.

Appendix 1

				BBC had programmed resurfacing works to Keeley Lane between 24th January and 18th February 2022, however JW confirmed he was still awaiting an update regarding Monoux and Payne Road. <u>ROADS</u> <u>17th March 2021</u> The following <u>road</u> areas had been prioritised by Bedford Borough Council: • Church Road (from War Memorial to Cause End Road junction – works now completed). • Cranfield Road (in part from the double mini roundabout – this was expected to be first priority). <u>19th January 2022</u> As noted above** GL and JW confirmed BBC were programming resurfacing works at Cranfield Road – between the double mini-roundabouts and Cranfield Road pedestrian access point to Barnes Road. This was necessary following lorry damage to the surface and drains and it was understood works would be completed this financial year.	
Road signage – Berryfields Estate.	GL.	Ongoing.	BBC/ Persimmon.	<u>19th January 2022</u> GL noted several road signs were misleading – with some indicated a dead end when it wasn't and vice-versa. GL and SO agreed to walk the area and produce a report for JW to take forward.	GL and SO.
Speed restrictions/concerns – various areas.	Committee discussion.	Ongoing.	Not yet identified.	<u>SPEED CAMERAS</u> <u>17th March 2021</u> Average speed cameras were now in place on Fields Road. WPC would use available data to push for police support in installing systems on all other main routes in/through the village – starting with	GL.

				Cranfield Road. <u>17th November 2021</u> SP was informed BBC had charged other parishes £80k to supply, install and maintain a pair of cameras. SP was asked to submit a formal request to the Police and Crime Commissioner for assistance in securing police support for the Cranfield Road scheme. Members were in agreement with this approach. <u>19th January 2022</u> It was noted Full Council had resolved on 12th January 2022 to keep this installation on file for a period of 12 months, in the hope police support for the proposal could be obtained. After detailed discussion the following was agreed: • A further request would be made to Bedfordshire Police to establish the feasibility in offering a financial contribution (possibly in partnership with other town/parish councils) to secure a resource to monitor the cameras (TI to provide points of contact to SP); • To inform Full Council this working group disagreed with its resolution and requested a review of that decision in six months (as permitted under Standing Orders). <u>FIELDS ROAD DOUBLE MINI ROUNDABOUT SPEEDING CONCERNS</u> <u>20th January 2021</u> JW confirmed the request to paint 'SLOW' signs at all road points adjacent to the double mini	
--	--	--	--	--	--

				roundabouts was on BBC's schedule of works, however Covid-19 restrictions meant only emergency works were currently being undertaken. <u>17th November 2021</u> JW confirmed the works were programmed for this financial year (it was noted this could also be linked to the white lining issue noted previously*). <u>19th January 2022</u> It was understood all lining/road signage works would be completed by BBC when the gritting season had ended (and in this instance, resurfacing works completed). <u>KEELEY LANE SPEEDING CONCERNS</u> SP had received confirmation from JW an order had been made for repeater signs (30MPH on the road surface) along Keeley Lane. It was understood only two were faded and BBC were monitoring for further signs of wear. <u>19th January 2022</u> It was understood all lining/road signage works would be completed by BBC when the gritting season ended. <u>WOOTTON GREEN SPEED LIMIT REDUCTION</u> <u>20th January 2021</u> A report (endorsed by Marston Moreteyne Parish Council) has been delivered to BBC, requesting a reduction to 30MPH along the highway, beginning at the junction with Hoo Lane towards Upper Shelton (40MPH to remain in place between	
--	--	--	--	--	--

Appendix 1

				Wootton and Hoo Lane). BBC has acknowledged receipt but has confirmed there is currently no budget for a speed limit review. The request will be revisited when a budget is available. <u>19th January 2022</u> This request would only be considered by BBC when determining the installation of average speed cameras along Cranfield Road.	
--	--	--	--	---	--

To be reviewed at each safety steering group meeting.
