WoottonParishCouncilBedfordshire

You are summoned to attend a Roads and Pavements Safety Steering Group meeting on
Wednesday 13th August 2025 at 8pm (or immediately following closure of Full Council which starts at 7.15pm) at
Wootton Community Centre, Harris Way, Wootton, MK43 9FZ for the purpose of transacting the following business:

Agenda no	Agenda item title	Power
Open Forum	<i>(Members of the public are welcome to present any matter relevant to the wellbeing of Wootton Parish and each parishioner will receive the attention of the council for a period not exceeding 3 minutes, with a maximum of 15 minutes in total. Please contact the Clerk no later than the morning of the meeting if you wish to do so). Recording, including filming, audio recording, taking photographs, blogging, tweeting and the use of other social media websites is permitted at council meetings which are open to the public. Anyone wishing to do so MUST speak to the chairman prior to the meeting as the parish council has an Audio-Visual Recording, Filming and Photographing of Meetings/Committee Meetings policy, which must be adhered to.</i>	Public Bodies (Admissions to Meetings) Act 1960, s1(1).
RP25/025	Apologies for absence.	Local Government Act 1972, s85 (1+2) & Sch 12, Part VI, p40.
RP25/026	Disclosure of local and/or disclosable pecuniary interests.	Localism Act 2011, Ch 7, s31.
RP25/027	To consider any dispensation requests received by the Clerk in relation to local and/or disclosable pecuniary interests, not previously recorded.	Localism Act 2011, Ch 7, s33.
RP25/028	Report from outside organisations – for information only. None.	N/A.
RP25/029	List of correspondence received (copies of correspondence can be requested from the clerk) – for information only. None.	N/A.
RP25/030	Minutes of the previous meeting. <i>Minutes are published on the Wootton Parish Council website: https://wootton-pc.gov.uk/parish-council/minutes/. Members of the Roads and Pavements Safety Steering Group are asked to receive and adopt the minutes of Roads and Pavements Safety Steering Group meeting held on 21st May 2025.</i>	Local Government Act 1972, Sch 12, Part VI, p41 (1).

RP25/031	Matters arising from the minutes – for information only. Please inform the Clerk by Tuesday 12 th August 2025 if you have information or a query on any item below. The Chairman may request around the table updates at this meeting.	N/A.
RP25/032	To review, amend and approve the Roads and Pavements Safety Steering Group Project Action Plan and to take the same to Full Council for formal approval. Appendix One.	Localism Act 2011, Ch 1, s1-8.

Sue Edgar Playford

.....

Sue Edgar Playford BA (Hons) PSLCC AICCM,

Clerk to the Council and Responsible Financial Officer,

6th August 2025.

ROADS AND PAVEMENTS SAFETY STEERING GROUP PAP¹ 2025-26

WPC² publishes a BAP³ annually in May, drawn from the budget which is formally set in January, and which includes project expenditure for the upcoming year. The R&PSSG⁴ committee will produce its own PAP, to be reviewed and amended as necessary at each committee meeting, after which it will be formally reviewed and approved by Full Council, alongside the BAP.

Please refer to earlier published minutes of this Steering Group for PAP information relating to 2024 and/or earlier. These are available to view either via the Clerk to the Council or at: <https://wootton-pc.gov.uk/parish-council/committees/roads-pavements/>

The Roads & Pavements Safety Steering Group committee's projects for 2025-26 are:

Issue	How identified?	Timescale	Budget	Action/Update	Project Manager
Berry Wood Car Park – Cranfield Road – exit	Cllr Noakes.	2025.	BBC.	<u>21st May 2025</u> Cllr Noakes stated when exiting the car park onto Cranfield Road it was impossible to see oncoming vehicles travelling away from Wootton, due to overgrowth. Cllr Noakes agreed to send photographic evidence to the Clerk to request remedial action. <u>13th August 2025</u> The Clerk has sent all evidence via email to BBCllr/Cllr Wheeler, who has forwarded the same to the relevant BBC⁵ department for remedial works to be considered. Although it is understood the Forest of Marston Vale are taking over this area, BBCllr/Cllr Wheeler has been asked to chase for urgent	Cllr Noakes.

¹ Project Action Plan.

² Wootton Parish Council.

³ Business Action Plan.

⁴ Roads & Pavements Safety Steering Group.

⁵ Bedford Borough Council.

Appendix One

				remedial works as the limited visibility issue remains.	
Burgoyne Avenue speed measures.	Residents.	2024.	BBC.	<u>17th January 2024</u> Concerns had been raised that existing speed cushions did not restrict vehicles to 20MPH – speeding remained an issue. <u>17th July 2024</u> Members resolved this item should remain on the project action plan until the adoption process was complete – at which time this safety steering group would again lobby for additional speed measures and request the presence of Wootton’s Speed Watch group.	BBC.
Fields Road pavement pinch point and request for an additional pedestrian crossing.	BBC.	Ongoing.	BBC.	<u>PINCH POINT</u> <u>17th July 2024</u> Talks had resurfaced again in relation to the one area along Fields Road pavement (north) which was not piped or infilled during works to widen the pavement between Bedford Road and the Berryfields roundabout. Those works were to provide a three metre (or such width as could be achieved within the highway) footway/cycleway as detailed within a Planning Obligation by Deed of Agreement (s106 Agreement) dated 16th May 2018, between BBC and Goodman Logistics Bedford (GP) LLP (Acting as General Partner of Goodman Logistics Bedford (UK) LP), Goodman Logistics Bedford Nominee (UK) Ltd and Goodman Real Estate (UK) Ltd. Members were asked to support a proposal this area now be piped and infilled (costings to be borne by BBC) noting that: • The pavement was a designated safe route to school.	BBC.

				• The pavement was detailed within the s106 agreement referenced above as a shared footway/cycleway. Removing the pinch point would provide safer access for all. • The adjacent bus stop was used by a significant number of bus users following changes to the bus route and removing the pinch point would provide a bigger and safer area for waiting. Members resolved to support the proposal, make the same recommendation to Full Council and inform BBC of the same. <u>18th September 2024</u> BBCllr/Cllr Wheeler confirmed BBC was securing funding to take this proposal forward. <u>15th January 2025</u> BBCllr/Cllr Wheeler confirmed ahead of this meeting BBC funding had been allocated to this project, which was likely to be completed in Spring 2025. <u>21st May 2025</u> BBCllr/Cllr Wheeler confirmed a feasibility study was being undertaken by BBC, which now included the request for an additional pedestrian crossing. It was agreed to merge the two items, moving forward. <u>13th August 2025</u> BBCllr/Cllr Wheeler has confirmed works to the pinch point are unlikely before summer 2026 (as is the pedestrian crossing). <u>PEDESTRIAN CROSSING</u> <u>19th March 2025</u>	
--	--	--	--	--	--

Appendix One

				Request was made for an additional pedestrian crossing to be installed on Fields Road, possibly in the vicinity of the newly installed dropped kerbs at the junction of Fields Road and Summerfield Drive. BBC had responded to the request, stating the site would be assessed and prioritised. At the present time, a budget heading had yet to be identified by Bedford Borough Council and timescales were unknown. <u>21st May 2025</u> BBCllr/Cllr Wheeler confirmed a feasibility study was being undertaken by BBC, which now included the request for an additional pedestrian crossing. It was agreed to merge the two items, moving forward. <u>13th August 2025</u> BBCllr/Cllr Wheeler has confirmed the pedestrian crossing is on BBC's travel plan, but that works are not expected before summer 2026.	
Pavement/all parking issues – including white and yellow lining – village wide.	Residents.	Ongoing.	Not yet identified.	<u>YELLOW LINING</u> <u>21st May 2025</u> <u>HALL END – FRONTAGE OF THE CHEQUERS PH CAR PARK</u> Works were now complete. Move to close. <u>VEHICULAR USE OF MANOR ROADS PAVEMENT – ACCESSING ONTO BEDFORD ROAD</u> BBCllr/Cllr Wheeler confirmed bpha had spoken to a client who agreed to stop using this non-vehicular access point in future. Members agreed to keep this issue open to ensure the same. BBCllr/Cllr Wheeler was aware the same issue was once again occurring and agreed to speak again with bpha.	Cllr O'Dell.

Appendix One

				<u>BEDFORD ROAD/CAUSE END ROAD ROUNDABOUT TO THE BUS-SHELTER BEDFORD BOUND OPPOSITE MANOR ROAD FLATS</u> AND <u>FIELDS ROAD/SUMMERFIELD DRIVE JUNCTION</u> AND <u>FIELDS ROAD/MONOUX ROAD JUNCTION</u> All three proposals were currently being dealt with by Bedford Borough Council, with public consultations ongoing. <u>CAUSE END ROAD/LORRAINE ROAD JUNCTION</u> The Clerk received a request from a resident that the recently installed yellow lining along Cause End Road be extended to include frontage opposite Tesco. After discussion it was agreed to consult with BBC on the issue and request a solution and to request Tesco clearly mark their parking bays. <u>13th August 2025</u> <u>VEHICULAR USE OF MANOR ROADS PAVEMENT – ACCESSING ONTO BEDFORD ROAD</u> BBCllr/Cllr Wheeler has confirmed he has again spoken with bpha. The vehicle has not been seen for some time. <u>BEDFORD ROAD/CAUSE END ROAD ROUNDABOUT TO THE BUS-SHELTER BEDFORD BOUND OPPOSITE MANOR ROAD FLATS</u> AND <u>FIELDS ROAD/SUMMERFIELD DRIVE JUNCTION</u> AND <u>FIELDS ROAD/MONOUX ROAD JUNCTION</u>	
--	--	--	--	--	--

				All three proposals were currently being dealt with by Bedford Borough Council, with public consultations ongoing. <u>CAUSE END ROAD/LORRAINE ROAD JUNCTION</u> The Clerk received a request from a resident that the recently installed yellow lining along Cause End Road be extended to include frontage opposite Tesco. After discussion it was agreed to consult with BBC on the issue and request a solution and to request Tesco clearly mark their parking bays. Bedford Borough Council has since responded with the following: <i>“We would be concerned that any additional yellow lines will push the problems elsewhere in the road as restrictions do not make the traffic disappear. All successful / popular shops will always attract drivers who want to park nearby. Installing more restrictions, may make drivers think about using other shops etc affecting business”.</i> <u>PAVEMENT PARKING</u> <u>Summary of 2024</u> No further update was received in relation to Central Government’s consultation* on pavement parking: https://www.gov.uk/government/consultations/managing-pavement-parking. The website continued to state feedback was being analysed with an addition ‘this was published under the 2019 to 2022 Johnson Conservative government’.	
--	--	--	--	---	--

Appendix One

				<u>19th March 2025</u> Cllr O'Dell reported ahead of this meeting that Marsha de Cordova MP (Labour) addressed the House of Commons on 29th January 2025, resulting in her Pavement Parking Bill having its first reading. The point was made that pavement parking bans existed in London and Scotland and should be extended to England and Wales. Reference was also made to the Central Government consultation as referenced above. The second reading was scheduled for 16th May 2025. The Clerk added she and Cllr Lloyd had recently met with Blake Stephenson MP who agreed to raise the issue of pavement parking (and lack of movement since the consultation noted above*) with the Department of Transport. <u>21st May 2025</u> Blake Stephenson MP asked the Secretary of State for Transport on 19th March 2025 if <i>"...she will make it her policy to introduce a ban on pavement parking in non-metropolitan areas"</i>. Response is <i>"The Department has been considering all the views expressed in response to the consultation in 2020 and is currently working through the policy options and the appropriate means of delivering them. As soon as the Government has decided its preferred way forward, we will announce the next steps and publish our formal response. In the meantime, local authorities can make use of existing powers to manage pavement parking"</i>. Cllr O'Dell noted a second reading of Marsha de Cordova MP's pavement parking bill was due in July 2025.	
--	--	--	--	--	--

Appendix One

				<u>13th August 2025</u> Cllr O'Dell has requested BBCllr/Cllr Wheeler forward a response from Bedford Borough Council's Parking Services to Blake Stephenson MP, to emphasise how local councils are virtually powerless when dealing with pavement parking. Marsha de Cordova MP (Labour)'s Pavement Parking Bill is now not scheduled to have its second reading until 17th October 2025*. <u>NO PARKING ON VERGES SIGNAGE – FIELDS ROAD PAVEMENT AND POTENTIALLY OTHER AREAS</u> BBC confirmed there was a 3–4-month lead time for the signage. Installation was expected by the end of this financial year (31st March 2025). <u>21st May 2025</u> The Clerk confirmed she was continuing to chase BBC for an update on timescales. <u>13th August 2025</u> The Clerk has informed BBC that additional signage between Bedford Road and the care home on Fields Road should be considered and all signage should be double-sided, to be clearer. No response has been received to date. *In light of the above, Cllr O'Dell will be requesting a motion that other paved areas within the village be considered for "no parking on verges" signage. Members should note costings for the Fields Road scheme were £2.5k.	
Pavements and Roads – all resurfacing/remedial works.	Resident.	Ongoing.	BBC.	<u>PAVEMENTS</u> <u>13th August 2025</u> Refer to Appendix Two.	BBC.

Appendix One

				<u>ROADS</u> <u>13th August 2025</u> Refer to Appendix Two.	
Sanders Way – dropped kerbs (to include additional areas also along Lorraine Road)	Request from resident.	Ongoing.	BBC.	<u>Summary of 2024</u> The Clerk and BBCllr/Cllr Wheeler continued to chase in relation to outstanding tactile paving in areas along Lorraine Road. <u>15th January 2025</u> Cllr O'Dell requested ahead of this meeting that, in addition to chasing BBC for a further update on these outstanding works, a request be made (in light of the severe delay) to add tactile paving to the existing pair of dropped kerbs at the junction of Lorraine Road and Farrell Road. Members agreed to make this recommendation to Full Council. <u>19th March 2025</u> BBC confirmed the additional request (15 th January 2025) would be added to outstanding works for the financial year 2025-26. <u>21st May 2025</u> BBCllr/Cllr Wheeler confirmed he was arranging a village-wide site visit with BBC Highways to address all issues within this project action plan. It was also hoped BBCllr Gribble would attend the next meeting of this safety steering group. <u>13th August 2025</u> BBCllr/Cllr Wheeler continues to chase.	BBC.
Speed Indicator Device (SID) on Bedford Road (in the vicinity of the Memorial Hall) and Cranfield Road	Cllr O'Dell.	Ongoing.	BBC.	<u>21st May 2025</u> Cllr O'Dell requested BBC be asked if the Bedford Road device could be re-positioned and upgraded to	Cllr O'Dell.

Appendix One

				contain the same level of information provided by the device along Ridge Road. Cllr O'Dell further requested BBC be asked if the Cranfield Road device (now switched off) could be re-purposed within the village. Answers (and costings) would determine whether this safety steering group could lobby for these changes/amendments. <u>13th August 2025</u> Bedford Borough Council has confirmed it is seeking quotes for the electrical supplies to be disconnected (all signs are fed from the mains). Those quotations will be shared with the Parish Council when received, for its consideration.	
--	--	--	--	--	--

Pavements – requested by WPC for programming by BBC in 2025/26 (and including works not completed by BBC during 2024/25)	
Area	Comments
Bedford Road: • Cause End Road to Elmsdale Road – both sides. • Cock Inn PH to the Post Office – both sides and including the trip hazard at 16-18 Bedford Road. • Keeley Farm Court to the village boundary with Kempston Rural.	<u>21st May 2025</u> Cock Inn PH to the Post Office has been carried over from 2024/25. <u>13th August 2025</u> • Cause End Road to Elmsdale Road (both sides). BBC has confirmed this is an area to monitor and is not high priority. • Cock Inn PH to the Post Office. The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works. • Keeley Farm Court to the village boundary with Kempston Rural. BBC has confirmed this is an area to monitor and is not high priority.
Canons Close – outside 1 and 6 – surface has broken. The corner with Lorraine Road has broken also.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Cause End Road – entire length, both sides.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Church Road – outside 3 – surface is broken and there is a large hole outside the entrance gate. Outside 38 – surface is broken.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Farrell Road – outside 14 -surface is broken.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Foster Way – entire length, both sides.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Jenkyn Road – outside 21 – tree roots have come through the surface and outside 11 – tree roots have also come through the surface.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Lorraine Road.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Manor Road – entire length, both sides.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Mepham Road – entire length, both sides.	<u>13th August 2025</u> BBCIIR/CIIR Wheeler has received confirmation from BBC this area does not meet their requirements for any remedial works.
Potters Cross – entire length, both sides.	<u>13th August 2025</u> BBCIIR/CIIR Wheeler has received confirmation from BBC this area does not meet their requirements for any remedial works.
Russell Way – outside 11 – surface contains multiple trip hazards.	<u>13th August 2025</u>

Appendix Two

	BBC has confirmed this is not on its schemes list. If localised, they will need the area inspector to assess for actionable work. Members should determine next steps.
St. Mary's Road – entire length, both sides.	<u>13th August 2025</u> This area has been recently resurfaced.
Studley Road – outside 5 and 7 – surface has broken.	<u>13th August 2025</u> The Clerk is awaiting confirmation from Bedford Borough Council regarding scoring/potential remedial works.
Summerfield Drive and estate therein –Summerfield Drive by the entrance east side has cracked, Summerfield Road south of Barnes Road has cracked, Summerfield Drive and Hillcroft has severe cracking.	<u>13th August 2025</u> BBCllr/Cllr Wheeler has received confirmation from BBC this area does not meet their requirements for any remedial works.
Tithe Barn Road – entire length, both sides.	<u>13th August 2025</u> This area has been recently resurfaced.
Roads – requested by WPC for programming by BBC in 2024/25	
Area	Comments
Hall End Road (adjacent to the upper school).	<u>15th January 2025</u> BBCllr/Cllr Wheeler had received no further update. <u>21st May 2025</u> BBCllr/Cllr Wheeler confirmed he was arranging a village-wide site visit with BBC Highways to address all issues within this project action plan. It was also hoped BBCllr Gribble would attend the next meeting of this safety steering group. <u>13th August 2025</u> Temporary repairs have been made in this area. The Clerk is awaiting further confirmation from Bedford Borough Council regarding scoring/potential additional remedial works.

To be reviewed at each Roads & Pavements Safety Steering Group meeting.
